Discover your Bachelor's program, our international campuses, and your next steps.

Hi Nonvikan Karl-Augustt,

Thank you for your interest in the **Bachelor of Science in Computer Science** at our **Heidelberg** campus.

One of our **Enrollment Advisors** will contact you shortly to learn more about your goals, answer your questions, and guide you through your options at Schiller.

In the meantime, discover what your Bachelor's experience could look like.

Build your future in an international environment

At Schiller, you will:

- Study your degree **in English**
- Gain practical experience through our **Immersive Learning** approach
- Develop career-ready skills for an increasingly **global job market**
- Join a **multicultural community** with students from around the world
- Work towards an **internationally recognized degree.**

Explore the Bachelor's Brochure

One university, four international campuses

Begin your studies at **Heidelberg** and expand your international experience through Schiller's **intercampus mobility opportunities.**

You can explore study-abroad opportunities across our campuses in **Madrid, Paris, Heidelberg, and Tampa**, while remaining part of the same international university community.

Start at one campus. Study abroad at another.

Have any questions?

Speak directly with an **Enrollment Advisor** about your program, campus, tuition, scholarships, or study options.
